SYMMETRY AT WORK

Bank BTN Indonesia & Bank Rakyat workshop & visit

We were honoured to host Bank BTN Indonesia, for a workshop session on Gobranch and SIBS core engagement.

This was accompanied with an official site visit to Bank Rakyat Malaysia to further enhance the workshop sessions and discussions on successful digital transformation on SIBS.

DEEM FINANCE'S PHASE-1

- Deem Finance has successfully launched Phase 1 of its financial services, including CBS9, the Branch Delivery System, Loan Origination System, and the Digital Banking Portal
- This milestone aims to bring convenience and efficiency to customers which signals the company's commitment to redefining the finance landscape in the MENASA region

Silverlake Axis X Safeguards brings first ever cloud solution to underserved locations in Malaysia

- Silverlake Axis and Safeguards Corporation Sdn Bhd have partnered to launch Malaysia's premiere Independent ATM Deployer (IAD)
- This is Malaysia's first-ever IAD-on-cloud solution, bringing financial inclusion to underserved locations in the country
- Bank Negara Malaysia sees financial inclusion as a key goal in the coming years, and the partnership reaffirms Silverlake Axis' commitment to these goals

Silverlake Axis's Collaboration with Bank Mantap

This collaboration brings innovation, delivering cutting-edge solutions that will strengthen Indonesian economy. The roll out Version 12 of Silverlake Integrated Banking Solutions (SIBS) in over 375 of its branches, pushing towards sustainable financial well-being in over 40 provinces of Indonesia.

GIFA MARKET LEADERSHIP AWARD

Silverlake Axis was awarded the GIFA Market Leadership Award for Islamic Finance Technology Solutions in 2023.

Silverlake Axis at Events

Collaboration between IBM, Red Hat and Silverlake Axis as guest speaker to share customer success stories in Thailand

Silverlake Axis Trade Finance Solution made presence at the Global Trade Review Asia 2023 in Singapore, the biggest trade finance event in Asia which garnered interest from both existing and new customers.

IDC x Silverlake Axis Executive Lunch Roundtable 2023 (Philippines)

Amidst the discussions with bankers, a recurring theme emerges – embracing change is the key to resilience. Cyrus Daruwala, Managing Director of IDC, illustrates how SAL's solutions evolves to empower bankers to sharpen focus on the bottom line and help achieve their objectives. It's not just about technology, it's about smart business design and orchestration. Harmonising data from diverse sources, ensuring accuracy, and responsible governance are the pillars of success.

2023 Winners

Rising Star Winner

Cassandra Goh
Silverlake Axis

Congratulations Cass on winning the Rising Star category for ISG Women in Digital Awards Asia Pacific & India.

This award celebrates incredible women, throughout APAC & India 2023 virtually in October 2023.

In spite of fierce competition Cass Goh managed to bag Rising Star category through the demonstration exceptional and continuous growth in contributions to Silverlake Axis, with increased levels of leadership, responsibility and sphere of impact towards transformation.
