SYMMETRY AT WORK

As we embark on new beginnings, we wish you a new year filled with happiness, love and prosperity.

We look forward to helping you achieve new heights of success and growth – here's to a bright future together!

Accolades aplenty

Terimakasih Bank Rakyat Indonesia

Silverlake Axis was recently awarded the "Top Core Banking System Best Partner Award' by Bank Rakyat Indonesia.

Indra Utoyo, Managing Director of Digital and Information Technology and Nyoman Sugiri Yasa, Executive Vice President IT Application and Operational Management presented the award in December 2021.

We are truly honoured to receive this award and look forward to continued collaboration for our clients' success.

Alliance Bank's e-KYC wins global award

Alliance Bank Malaysia's e-Know Your Customer (e-KYC) solution has been recognized as the "Best Digital Account Opening" by Global Retail Banking Innovation Awards 2021. This solution, powered by Silverlake's subsidiary Fermion Cyber Village, allows customers to open a savings account instantly and apply a credit card or personal loan from anywhere.

Congratulations Alliance Bank!

Silverlake – Most Transparent Company Award 2021

Silverlake Axis Limited has been awarded runner-up in Most Transparent Company Award 2021 – Technology in the SIAS Investors' Choice Award.

SIAS or the Securities Investors Association (Singapore) has developed investor-centric research to recognize companies that have achieved excellence in their transparency and disclosure standards as well as shareholders' rights and equitable treatment. The awards also incorporate investment selection criteria that matter to investors such as earnings, valuation and risks.

This award is supported by the Singapore Exchange and endorsed by esteemed industry organisations and institutions. We are honoured to be recognised by the investor community and will strive for continued transparency and excellence.

Accolades aplenty

Pakistan's onward march

According to KPMG's Pakistan Banking Perspective published on June 2021, the country's banking sector has shown promising growth despite the global pandemic and overall economic slowdown.

In the financial year 2020, total assets and deposits grew by 14% and 16%, respectively, while profitability increased by 30.7% for conventional banks and 37.6% for Islamic banks.

The team from Silverlake recently visited Pakistan and met with the local banking community.

Silkbank's Road to Success

Silkbank, one of the fastest credit card issuers in Pakistan successfully deployed the Mastercard module with Silverlake Symmetri's OmniCard V6.

According to Shahram Raza Bakhtiari, Director Retail Banking Silkbank, "Silkbank and Silverlake Symmetri's well-founded and fruitful partnership goes back many years.

"Silverlake Symmetri's expertise and state-of-the-art card management system have always enabled Silkbank to achieve its business and strategic objectives."

Silkbank Credit Cards hit another innovation milestone

Silkbank, one of the fastest Credit Card issuers in Pakistan, has partnered with Silverlake, a technology powerhouse, to successfully deploy the Mastercard module for the launch of Mastercard Credit Cards. With this deployment, Silkbank is all set for the pilot launch this month and the commercial launch next month, November 2021.

Shahram Raza Bakhtiari, Director Retail Banking Silkbank commented on this successful deliverable: "The successful launch of Mastercard is in line with Silkbank's robust Consumer Strategy. We are fully committed to heavily investing in technology to cater to our many new initiatives, which are technology-driven and will create a competitive advantage for us by creating solutions for our customers that are ahead of the technology trend. Silkbank & SilverlakeSymmetri's well-founded and fruitful partnership goes back many years. SilverlakeSymmetri's expertise and state-of-the-art card management system have always enabled Silkbank to achieve its business and strategic objectives."

Maris Ozolins, Chief Operating Officer at SilverlakeSymmetri commented on this successful collaboration, saying: "We understand that every customer is unique; hence we bring hyper-personalized and configurable technology together with experience to execute the transformation. Our customized avant-garde technology that involves continuous improvements through innovation, combined with our unparalleled expertise, are known to provide compelling and differentiated benefits to our customers for decades. Our methodologies are proven not solely on technology, but the commitment and expertise behind that technology, which has ensured our 100% successful track record for over 30 years." PR
